

BIANCO TOSCANO IGT 2017 0,75l

A dry white wine with a clear fruit character. Produced from the local grape variety Vermentino.

Accompanies seafood, shellfish, and lighter meats beautifully. Well-chilled, it makes a delightful aperitif. Enjoy at 8-10°C.

Crisp, clean-edged aromas, intense fruity palate, a subtle, minerally finish.

Origin	Italy
Area of cultivation	Maremma, Tuscany
